### Knowing Your Neighborhood Goals

- This is what you'll use to get people excited to join you! 😊
- What kind of roles do you have?
- What roles do you need?
- What roles could be created?
- What roles could be delegated?

6

## Recruiting Emerging Leaders

- Partnering with folks around you?
  - Business, schools, neighbors
- Meeting folks at classes, sports leagues
- Collaborating with other neighborhoods

## Welcoming New Faces

- Welcome people when they come to your meetings/event
- Have a team to identify new faces
- Connect new emerging leader to a seasoned one
- Have a plan to get them engaged!
- Follow up with a check in

## Keeping Your Team Solid

- Equip them with the skills needed
- Avoiding burnout
- Maintaining the relationships
  - Events, volunteer together
- Delegating the work
- Communicating the Culture
- Remember the little stuff
  - Minh Đức
- Appreciate and acknowledge people!
- Provide opportunities to facilitate relationships

The number one most important factor in having a successful Day of Caring experience is?

**Communication!**

## Next Steps

Write down a two things you plan to do after this session.

**Communication!**
